REGIONAL SERVICE ASSEMBLY

A Region should hold a Service Assembly at least once per year, preferably five months prior to the annual World Service Conference. The Regional Service Assembly should be hosted by one Area. Attendance is open to all C.A. members; however, voting is exclusive to those members representing the Region: Trustees residing in the Region, WSC Delegates, Alternate Delegate, and Area Chairpersons. Any of these voting members may carry no more than two votes at the Regional Assembly (one proxy pursuant to WSC voting procedures). Voting agenda should include only the selection of Trustee Candidates pursuant to the procedures outlined herein and proposed locations for future Regional Assemblies. It is suggested that the Regional Assembly adopt the C.A. Manual to govern its proceeding and voting process. The Regional Assembly can then make appropriate modifications.

ELECTION PROCEDURES FOR REGIONAL TRUSTEE CANDIDATES BY REGIONAL ASSEMBLY

1. Each Area may submit one or more candidates for consideration to the Region. Each candidate must satisfy existing Trustee qualifications (see: Trustee qualifications, the WSBT service structure) and submit a completed service resume and statement of willingness to serve at the Regional Assembly in order to be considered.
2. The Regional Assembly will consider the candidates submitted by each Area for nomination as Trustee. The Regional Assembly should insure that all candidates submitted are qualified to serve as a Trustee as outlined herein.
3. The Pacific South Region shall annually elect up to six but not less than four candidates to fill Trustee positions as needed. The remaining six regions shall annually elect up to four but not less than two candidates to the World Service Conference (these candidates need not be present in order to be nominated or elected).
4. The slate of qualified candidates submitted shall be considered by the voting members of the Assembly.
